BackHome Pet Record Card

KEEP THIS INFORMATION SAFE

Your pet is now protected with a BackHome microchip.

This card provides a record of all the important information you will need should your pet go missing or you wish to change any of your pet's details.

Your pet will be registered on the PETtrac database **www.pettrac.co.uk** - a fast, reliable UK based reunification database.

You will receive an electronic Registration Confirmation of your pet's microchip details.

UPDATING YOUR PET'S DETAILS

If you have any queries, or wish to update your details, please contact PETtrac on **01273 408721**.

Please do not touch or rub the area where the microchip has been inserted for at least 24 hours - or you could risk it becoming dislodged or even expelled.

If your pet is lost or goes missing:

- Inform the PETtrac database as soon as possible. If you have one, log on to your online account with PETtrac at **www.pettrac.co.uk**
- If you don't have an online account call the 24hr lost and found PETtrac Hotline **01273 408722**.
- Call your vets, local animal warden and local animal welfare centres.
